## Tuition

CVCA is a private Christian school. In order to ensure CVCA has the necessary resources to deliver effective instruction, it is imperative that the tuition and fees for each student be paid in full and on time when due. Tuition charges are based on the grade level of the student. Please refer to the [tuition and fee schedule](#) for current rates.

**Tuition does not include:** Lab fees, ASB event charges, sports fees, extended care fees, field trips, senior fees, extracurricular activities, or trips.

All fees are non-refundable and are subject to change. Please refer to the current fee schedule for the current fees and costs, except for field trips and most extracurricular activities.

CVCA reserves the right, at its option and sole discretion, to require the responsible party to provide adequate assurances that the tuition and fees will be paid when due. CVCA shall determine the appropriate assurances at its sole and absolute discretion which may include, but are not limited to, completion of a credit application, delivery of personal credit reports, execution of a payment agreement and requiring a third party personal guarantee for payment on the account. Accounts that exhibit a pattern of delinquency may be required to set up automatic payments. These arrangements will be made at the discretion of the school board finance committee.

Students may be requested to be withdrawn from school by either CVCA or their parents or guardians. In either case the responsible party will continue to be held responsible for any fees, tuition, and costs incurred prior to termination of enrollment.

## Tuition Payment Options

**Full Payment:** Tuition is due on or before September 1st and will receive a 3% discount.

**Month Payments:** Tuition and fees are billed on a monthly basis. Account balance is due by the 15th of each month.

## Statements

Ten monthly statements are sent via email September through June. Whether or not you receive an email, you are responsible for paying the amount due in a timely manner.

## Textbooks

The cost of textbooks for a year (per student) is \$200. Any damaged, destroyed or not returned textbooks will incur a fee, up to 100% of replacement cost, based on the condition of the book at time of return.

## Insufficient Funds/Cash Payments

A charge of \$30 will be added to accounts for all returned checks. Any occurrence of a returned check may require future payments in cash or by automatic payment.

## Delinquent Accounts

All accounts (tuition, fees, extended day care, sports, etc.) must be kept current and paid when due. Any account that is 30 days delinquent will be reported to the school board finance committee to determine whether the student may continue to be enrolled at CVCA. Students with delinquent accounts may not be allowed to participate in class programs, special year-end events, trips or graduation ceremonies.

## Transcripts/Student Records

When graduating, transferring, or withdrawing from CVCA all financial obligations including non-tuition charges must be met before transcripts/student records will be released.

I acknowledge and agree to the terms and conditions of this financial policy.
